If you have already applied (on paper or online) and paid the application fee within the past 24 months, you do not need to submit this application or pay the application fee again. If you applied online, update your previous application online. If you submitted a paper application, update your previous application at <http://iapply.iupui.edu/update-application/>
NOTE: We cannot refund a duplicate payment.

Note: The application fee is not refundable and is required of all applicants. It cannot be waived or deferred. If you have difficulty getting U.S. currency to pay the fee, a friend or relative may pay it for you. The check must have your full name written on it so we can properly credit your payment. We cannot make an admission decision on your application until the application fee has been paid. Paying the fee to another campus of Indiana University or Purdue University does not waive this requirement.
